

PlantWatch Observation Form

Observer

Name: _____
Address: _____
City/Town: _____
Province/Territory: _____ Postal Code: _____
Phone: _____ E-mail: _____
Age: 5-10 11-15 16-20 21-30 31-55 56 and over

Plant Observed

Name of Plant: _____

Flowering Phase

First Bloom (month/day/year): _____
Mid Bloom (month/day/year): _____

Leafing

Leafing (month/day/year): _____

Plant Location *(remember to give each location a unique name e.g. schoolyard, backyard)*

Location Name: _____
Closest city or town: _____
Province/Territory: _____
Latitude: _____ ° _____ ' _____ " N Longitude: _____ ° _____ ' _____ " W
Elevation (if known): _____ (metres)

Habitat Type

Deciduous forest Marsh, bog, wetland
 Coniferous forest Farmland
 Mixed forest Residential garden/lawn
 Tundra/barren Schoolyard
 Grassland

Optional Details

Sun Exposure: sunny and open area in half shade shaded all day
Plant is located on: flat area gentle slope steep slope
Slope faces (circle one): N NE E SE S SW W NW

Comments

Thank you for participating in PlantWatch

As soon as your observations are complete, mail your data sheet to your regional coordinator or enter your dates on the web at www.plantwatch.ca. By submitting on the web you can cut down on paper and see your dates added instantly to the PlantWatch maps. Remember, every observation counts — reporting even one flowering date for one plant is a great contribution.
